

London Pride

Brewed to 4.1%, this tawny-coloured premium ale borrows sweet raisin, biscuit and dried-fruit notes from the Crystal malt, while fresh, piney herbs emanate from the hops. Rich, smooth and elegant on the palate, it draws a clean, satisfying finish with beautiful balanced bitterness.

Oliver's Island

A glorious gold colour, Oliver's Island sets off with delicate floral and citrus aromas from those hard-working hops. On the palate, there's a distinctive biscuity, grapefruit flavour, tropical notes and refreshing zesty qualities, before the beer draws towards the line with a crisp malty finish.

Dark Star Hophead

An extremely clean drinking pale golden ale with a strong floral aroma and elderflower notes from the Cascade hops. This beer is full bodied and full flavoured yet gentle enough to make it a favourite session beer.

ESB

Rich mahogany in colour, ESB tempts with aromas of orange, marmalade, balanced by soft malt toffee. The hops impart grassy, peppery notes alongside hints of citrus fruit – while the Pale Ale and Crystal malts bring distinctive biscuity flavours. A smooth, delicate bitterness lingers on the palate to give a supreme finish

Seafarers

Faintly fruity on the nose, this light amber beer sails a steady course through well-developed malt character towards a satisfying, happy finish. The Gales yeast brings out soft fruit flavours, while the hops impart a zesty, spicy quality to the brew.

FULLER'S

March

Wild River

Like a river that endlessly ebbs and flows, brewing never stands still. So while American craft brewers have long been inspired by the British, we felt it was time to take our cue from them.

Wild River is the result. It's brewed with Liberty, Willamette, Cascade and Chinook hops, all imported from the US and infused into the beer through dry-hopping.

May

Spring Sprinter

Something of a global affair, Spring Sprinter is brewed with Nelson Sauvignon hops harvested in New Zealand. It's that touch of kiwi that gives rise to subtle citrus notes nicely balanced by English malts.

Like any great sprinter though, this seasonal pint doesn't stay around for too long. Race to the bar and catch it while you can.

Sticky Wicket

Sticky Wicket opens with a pale gold pour and the appealing aromas of fruity hops. On the palate, the Topaz hop adds a resinous grassy flavour with gentle hints of lychee, while the Ella hop hits the winning runs with tropical grapefruit notes and a subtle spicy finish.

July

Hop Tropic

Hop Tropic 4.2% pale and subtly hopped, nothing hard hitting here, just a refreshing tropically hopped pale ale. Hops to include Citra, Mosaic, Ekaunot and Cascade.

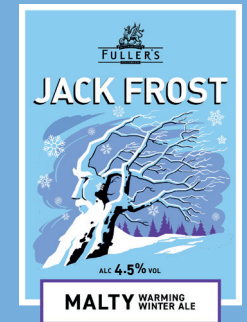

September

Red Fox

Reddish brown colour, low off-white head. Malty and fruity aroma and flavour, hints of ripe berries, dry finish. Very moderate hops. Smooth to drink.

November

Jack Frost

Brewed with Crystal malt and a dash of blackberries, Jack Frost nips at the nose with a faintly fruity aroma. There are toasted notes too, from the darker malts while dried-flavours and a hint of brown sugar linger warmly on the palate. Enjoy it with classic winter dishes such as pies, stews and roast meats

March

Nørdland

Taking its name from one of the best places to view the Northern Lights, Nørdland is a tropical IPA with a distinctly Nordic twist. Notes of orange and citrus come from the rediscovered Norwegian farmhouse yeast 'Kveik VOSS', while papaya, stone-fruit and blueberry flavours burst through, thanks to Galaxy and Mosaic hops. A stellar swirling storm of fruity flavour.

April

Planet Hop

Working with some of Planet Earth's finest hop growers and merchants, this beer heroes experimental, modern British hop varieties. Delivering big, bold flavours, this American-style IPA shows that hops don't have to cross the Atlantic to pack a fruity punch. Straw coloured and offering tropical and citrus notes, Planet Hop is brewed with a neutral yeast strain and a basic malt bill to let the hops shine. A stellar homegrown hero.

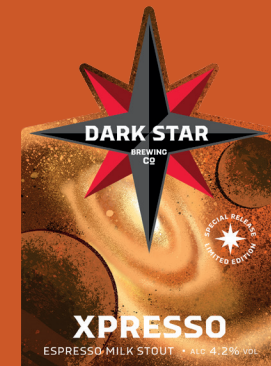

July

Sunquake

Aromas & tastes of citrus including lemon, earth, toffee, nuts, hops & roasted malt. Medium body. Moderate bitter finish. Highly enjoyable

October

Xpresso

A black beer brewed with roasted barley malt and challenger hops. Freshly ground Arabica coffee beans, blended especially for Dark Star, are added to the copper for a few minutes after the boil to provide a rich and complementary coffee aroma.
